HOME RULE FOR ERIE

EUFFALO IS AROUSED TO THE NECESSITY OF OVERTHROWING SHEEHAN.

INDEPENDENT DEMOCRATS IN SOME DISTRICTS HAVE NOMINATED LEGISLATIVE CANDI-

DATES AND IN OTHERS ARE SUPPORT-ING REPUBLICANS-FEELING

AGAINST MAYNARD. FROM A STAFF CORRESPONDENT OF THE TRIBUNE. ffalo. Nov. 2.-It is no wonder that William F. han is alarmed about the condition of the offairs of the Democratic party in this city and affairs of the Democratic party in this city and in the remainder of Eric County and brings David B. Hill here with the idea that that master of plausible argument may possibly entice back to the party ranks hundreds of Democratic deserters. With Mayor Bishop, of Buffalo, and most of the leading Democrats who are not officeholders actively at work to defeat his candidates for Senator and Assemblymen, and with every newspaper of and Assemblymen, and with every newspaper of Buffalo but one either actively or passively opposing these candidates, Mr. Sheehan has good reasons for apprehending the defeat of these men; not only that, but also a big vote against Isaac H. Maynard for Judge of the Court of Appeals, for

pass bills which would strip the Democratic Mayor of Buffalo of his power of appointing the heads of the city departments. In other words, Mr. Sheehan is attempting to make himself the "boss" of New-Buffalo, as Richard Croker is the "boss" of New-York, Hugh McLaughlin the "boss" of Brooklyn and Edward Murphy, jr., the "boss" of Troy. But Mr. Sheehan has made this attempt at an inopportune time and in uncongenial atmosphere. Buffalo to try to save something from the wreck. But George Bleis-time of "The Buffalo Courier," and one of the leaders in the fight which the honest Democracy of Eric County is making against the Sheehan ring, thinks that the Lieutenant-Governor might as well stay where he is. Mr. Sheehan has made this attempt at an inorpolic time time and in uncongenital atmosphere. But of the counts is making arainst the Sheehan and an consequence and the course of targater and a consequence and the course of the country of the milerest manning thinks that the Lieutenant-deveror might are provenents. Inture. Gallagher then announced that he would run as an Independent Republican candidate; but the last week has withdrawn even from this contest, seeing that he would not get a dozen votes. The Republicans have nominated Joseph P. Whittet, a manufacturer, who has been in Albany before, and who will make an excellent legislator. The district is strongly Republican and Mr. Whittet will have a big majority. The Republicans also expect to carry the Second and the Fifth Assembly districts. Their candidates are pledged to support home-rule measures, and the people of Burfalo have a trust that they will do so.

The leading Republicans of the Executive Committee, George Urhan, Harvey J. Hurd, John R. Hazel, Owen G. Nichols, John N. Scatcherd, Exsenator John Laughlin, and Philip Becker are making a vigorous canvans, They have the Republican party well organized, the vote of the party well registered, and they are sanguine that Maynard will be "snowed under" by a big majority of white bailots on November 7, and that the Republican party will gain a Senator and several Assembly the state of the county.

SHEEHAN'S MEN DOOMED.

GEORGE BLEISTEIN, OF BUFFALO, PREDICTS THEIR DEFEAT.

HE ALSO SAYS THAT THE DEMOCRATIC STATE TICKET WILL BE DEFEATED-CROKER ORDERS HIS TALKERS OUT

THROUGH THE STATE. Mr. Sheehan himself is mainly responsible for this rebellion of the chief Democrats of Erie County against the Democratic legislative ticket. He has abused his power as Lieutenant-Governor by exerting his influence in the Legislature to pass bills which would strip the Democratic Mayor of Buffalo of his power of appointing the heads of
